

166. The total price is a combination of the cheapest available air fare we could find in September, two nights in one of the recommended bargain hotels and car hire; prices are per person, based on two travellings.
167. We follow the guidelines of the English National Curriculum, but enhance them through impressive selection of options to present a breadth and depth for all our students.
168. Defoliation of tropical jungles inevitably leads to the local extinction of many populations of insects, birds, arbor reptiles and mammals.
169.unmistakably Susan felt resistance, only for an instant but nonetheless definite; so Nancy was not totally flaccid...
170. A much more interesting approach, depending on your flight time, is by sea, on board of the high-speed catamaran, a thrice-daily summer service operated by Air France.
171. Deforestation has been successful in some areas where the soil crust has been carefully broken up, fertilizers applied, and the whole system carefully cultivated.
172. America Online and NTT DoCoMo are in talks about an alliance that would propel the US company into wireless internet access and rekindle their flagging Japanese operations.
173. Super-long and super-tough, the new cable XL is a combination lock with retractable, .55in, vinyl-covered flexible aircraft cable, designed to lock and protect your luggage or equipment securely.
174. Mr. Grove's prediction may well turn out to be true; yet news organisations no longer fear of an imminent upheaval.
